

HEALTHCARE ENVIRONMENTS

Clinical - Patient - Public - Administrative

EXPERIENCE THE CARE

CLINICAL SPACES

From laboratories to pharmacies, emergency departments, and clinical environments of all types, special attention must be given to space utilization, cleanliness, workflow, and staff interaction.

Groupe Lacasse presents a full offering of modular casework solutions customized to meet the needs of all types of health facilities. Our reconfigurable furniture is built to withstand the rigorous demands of today's fast-paced healthcare environments.

+

Reconfigurable furniture built to withstand the demands of healthcare environments.

Healthcare furniture that balances patient care and family support while aiding infection control efforts.

PATIENT SPACES

Exam rooms, patient rooms, long-term care facilities—Groupe Lacasse offers a wide range of healthcare furniture selections. Our smart solutions enable care establishments to balance the needs of patient care and family support while aiding infection control efforts.

PUBLIC / ADMINISTRATIVE SPACES

From the moment they step into a healthcare facility, patients and their loved ones should feel comfortable in attractive and reassuring environments. Groupe Lacasse delivers furniture with durable yet soothing aesthetics—all from a single source and at exceptional value.

Casework and upholstery are thoroughly tested for suitability in healthcare environments, and all Groupe Lacasse furniture is backed with an extensive warranty.

Durable yet soothing furniture...
attractive, yet reassuring
environments.

HEALTHCARE ENVIRONMENTS

Clinical - Patient - Public - Administrative

In modern healthcare facilities, furniture is more than just furniture. It contributes to the well-being of its users—both the givers and the receivers of care. From places to wait, to places to rest, to places to store life-saving medicine, Groupe Lacasse offers all-in-one integrated, sustainable solutions.

At Groupe Lacasse, we partner with our clients. We remain at their side throughout the entire process, from concept to installation. We provide solutions tailored to our clients' needs. Groupe Lacasse understands that today's furniture must be adaptable, cleanable, durable and attractive.

Designed and manufactured by a company that continues to redefine effective healthcare furniture solutions, Groupe Lacasse products combine style and durability with outstanding value. Our company offers the flexibility to accommodate special requests. Our ability to blend function and smart design sets us apart from the rest.

Groupe Lacasse has the experience, the expertise, and the capability to work with clients to meet needs as well as expectations. Groupe Lacasse delivers the best choice in healthcare furniture solutions.
