RECIPIENTS: To All Groupe Lacasse Canadian Sales Representatives And Valued Customers
FROM: Dominic Aubry / Product Manager – Laminate Casegoods
SUBJECT: **DISCONTINUATIONS** / Quorum Multiconference, Think Smart and PanGram products

Following the supplier's production shutdown of specific parts, we are obliged to adapt our offering for **Quorum Multiconference, Think Smart** and **PanGram** product collections under the Lacasse brand.

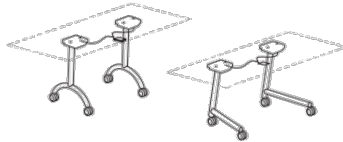

QUORUM MULTICONFERENCE/THINK SMART

Discontinuation

Since the **Flip-Top mechanism with a handle** is no longer available, we are forced to announce the immediate discontinuation of the products corresponding to the following codes:

- TNS-MTBFH24
- TNNA-MTBFH24
- TNS-MLBFH24
- TNNA-MLBFH24

- ENN_-MTBFH24
- ENN_-MLBFH24

Please note that only **Flip-Top mechanisms with a handle** are affected and not the other components (base/casters). Moreover, similar products without a handle are still available (TNN_-MTBF24 and TNN_-MLBF24).

Alternative solution

Flip-Top collaborative training tables **with a metal mechanism** to tilt the surface vertically remain an excellent alternative for customers looking for this type of products.

The supplier no longer produces an important component of the PanGram accordion panels and 120-degree surfaces. It is the **extruded hinge profile**.
