CALCULATING RADIUS:

The radius is the linear distance calculated from the center of the circle (point 0) to the inner circumference of the module.

CALCULATING DEGREES:

The degree of the angle is calculated by dividing the entire circumference (360°) by the number of modules. E.g.: 360 divided by 6 modular units provides an angle of 60°. Thus, 12 modules of 30° form a circle (360°).

C.O.M./C.O.V. Policy

Fabric approval

All C.O.M./C.O.V. materials must be approved for use by Groupe Lacasse/Arold manufacturing facilities. In order to determine pre-approval, please contact the C.O.M./C.O.V. coordinator at 1-888-522-2773.

To solicit approval, 2 samples (minimum of 8" × 8") need to be forwarded to below address along with the material's specifications to the attention of the C.O.M./C.O.V. coordinator. If California # 117 compliant, the certification must accompany the material. Please ensure that the custom fabric form is completely filled out and sent to the C.O.M./C.O.V. coordinator or the test cannot be processed. The ORIENTATION section is especially important; if it fails to be completed the material will be applied as it comes off the roll.

Groupe Lacasse/Arold

C/O COM Coordinator
147, Saint-Pierre St
Saint-Pie, QC J0H 1W0
Canada

Once the C.O.M./C.O.V. material has been tested, you will be contacted by the C.O.M./C.O.V. coordinator with the results. Upon approval, you will be directed as to any additional yardage requirements beyond the published C.O.M./C.O.V. yardage. To determine amount of upholstery needed, please refer to the C.O.M./C.O.V. designation (model specific) in the login section section of the website (www.groupelacasse.com). Yardage is based on 54" width roll. Some directional or railroaded material may require additional yardage.

All materials are to be received from the vendor clearly marked with your purchase order number, VENDOR-PATTERN-COLOR and quantity of yards. There should not be more than one piece per roll. Back orders or partial shipments will not be accepted. Rolls must not exceed 50 lbs. All C.O.M./C.O.V. material must be shipped prepaid to our manufacturing facility. DO NOT ship C.O.M./C.O.V. material without positive test results.

Once approved, please forward your purchase order to the C.O.M./C.O.V. coordinator (fax: 1-888-248-1865) and the upholstery to the specified address. Surplus material, unused material or material that cannot be identified will be discarded after 60 days. C.O.M./C.O.V. upholstery is subject to final approval upon arrival. It is the responsibility of the customer or customer's vendor to inspect material for bias and/or flaws prior to shipment to Groupe Lacasse/Arold.

Disclaimer

The Seller reserves the right to approve all C.O.M./C.O.V. prior to acceptance. Even after preliminary approval, the Seller reserves the right to reject C.O.M./C.O.V. if tests or early production results indicate the material will not meet the Seller's quality standards or excessive unforeseen costs will be incurred. For accepted C.O.M./C.O.V., the Seller assumes no responsibility for its appearance, quality, durability, colorfastness or any other attributes after application to a Arold product. The Seller will determine any additional yardage, labor charges or surcharges that may be required as a condition of C.O.M./C.O.V. acceptance.

Purchase orders will not be processed until material has been approved and production cannot be scheduled until upholstery has been received. Upon completing these steps, your ship date will be determined. The Seller may split an order at the customer's request and may be subject to a minimum order charge.

The Seller is not responsible for excess C.O.M./C.O.V. from completed orders unless express agreement has been reached in advance. The customer is responsible for the return of any excess material. C.O.M./C.O.V. orders may not be changed or cancelled after acknowledgement.

Please consult the C.O.M./C.O.V. coordinator (1-888-522-2773) with any questions regarding this process.

Surcharges

Expedited Transportation

No shipments have guaranteed delivery time and/or date. Time-sensitive deliveries that require expedited carrier service will result in additional charges that will be passed on to the consignee (dealer).

Prices

All prices listed are suggested retail prices, F.C.A. destination. Orders are accepted subject to prices and taxes prevailing at the time of shipment. Prices and taxes are subject to change without notice. If shipping date requested is more than 90 days from date of order, Groupe Lacasse* shall have the right to use the published list prices effective at the time of shipment.

Chargeable Parts Orders

Contact customer service for availability. Orders under \$25 are subject to a \$20 minimum parts order charge. The small order charge does not apply to replacement parts orders. Service parts prices are subject to change without notice or approval. Price list dated January 5, 2015 supersedes all other published price lists. Prices shown in price book have priority to electronic catalog contents.

Terms

Terms of sale are net 30 days to firms who have established satisfactory credit; otherwise we reserve the right to request cash in advance. Interest on past due accounts shall be 2% per month (24% per year). Should the Buyer fail to fulfill the above-mentioned terms of payment, Groupe Lacasse* reserves the right to defer further shipments until the Buyer has satisfied all solvency criteria and terms of payment as determined by Groupe Lacasse*. Any product sold shall remain the property of Groupe Lacasse* and shall remain the Seller's property until paid for in full. The Buyer agrees to perform all acts which may be necessary to protect and assure retention of title to such products by Groupe Lacasse* until such time as goods have been paid for in full.

Credit

Credit may be established for sales on open account by submitting satisfactory references. A line of credit will be set by our credit department. We may change or cancel credit terms at our discretion and request advance payment at our option. A delay in providing credit information may delay order entry and the shipping date of an order. The Seller reserves the right to delay or cancel any shipment to a customer whose account balance is over the credit limit and/or past due. We do not ship C.O.D. Inactive account of more than one (1) year will result in a reevaluation of the account.

Applicable prices

List prices and discounts are subject to change without notice or approval. Applicable prices are those in effect at the time of the receipt of an order; we reserve the right to use the published list prices effective at the time of shipment if the requested ship date is more than 90 days after the order receipt date. Prices shown in price book have priority to electronic catalog contents.

Services

List prices apply to products only. If, as a result of customer request, the dealer or authorized representative provides planning/design services, storage, special handling, set-up, or installation, the customer will be charged at the local dealer or authorized representative's standard rate.

Quotations

Quotations are valid for a period of thirty (30) days.

Freight claims

All FCA destination claims will be handled and filed by the Seller. In order to expedite any credit due, your help and assistance is required. Please adhere to the following guidelines. The merchandise is carefully packed and thoroughly inspected before leaving the warehouse. Responsibility for its safe delivery is assumed by the carrier upon acceptance of the shipment. Claims for loss or damage sustained in transit must therefore be made to Groupe Lacasse* as follows:

A. Concealed loss or damage

Concealed loss or damage means loss or damage that does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When damage is discovered upon unpacking, a written request must be made to Groupe Lacasse Customer Service within 15 days of the receiving date. No disposition will be taken until approved by the manufacturer.

IMPORTANT: Groupe Lacasse's policy in concealed damage is to replace the part or complete product if necessary at no charge to the dealer. However, it is the responsibility of the dealer to provide installation of the replaced part or complete product. Therefore, no labor fees will be accepted on concealed damages.

B. Visible damage or shortage

Any external evidence of damage or shortage must be noted on the freight bill or express receipts and signed by the carrier's agent. Failure to adequately describe such external evidence of damage or shortage may result in refusing to honor a damage claim. When damage or shortage is discovered, a written request must be made to Groupe Lacasse Customer Service within 5 days of the receiving date.
